Business and Innovation Workshop

Objective:

To empower participants with entrepreneurial skills, leadership abilities, and innovative thinking by immersing them in real-world business environments and networking opportunities. This package aims to inspire creative problem-solving, strategic decision-making, and startup growth.

Dubai International Financial Centre (DIFC)

Dubai Future Foundation

Desert Safari

DTEC, Dubai Silicon Oasis

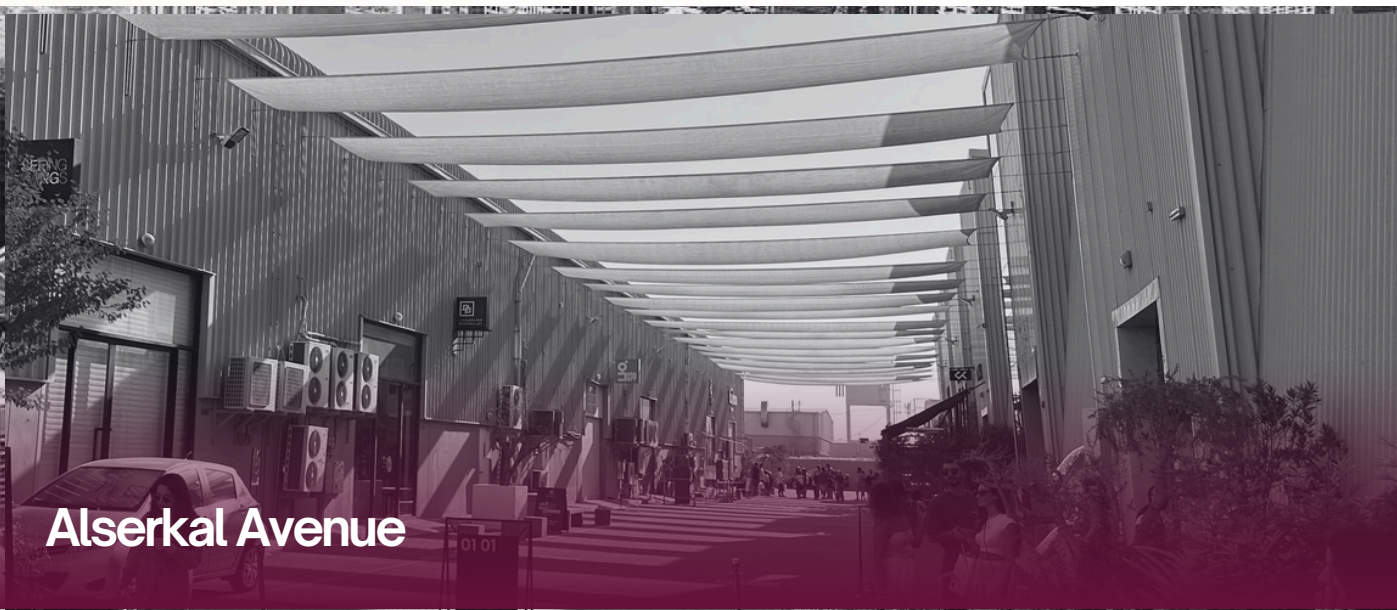

Dubai Mall & Burj Khalifa

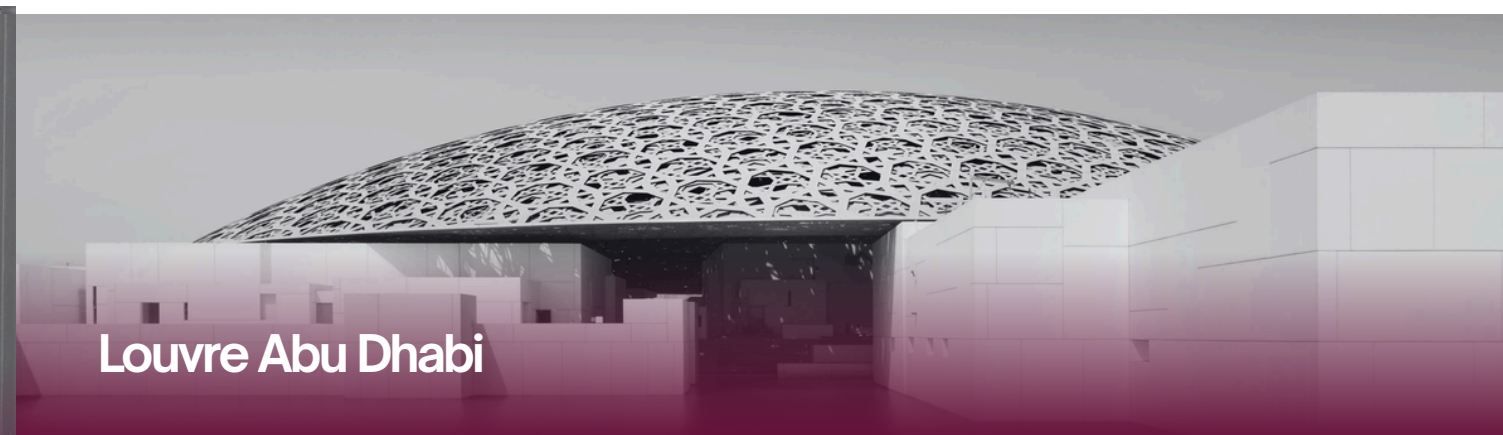

Arts and Culture Package

Objective:

To enhance cultural intelligence, creativity, and leadership through the exploration of art, heritage, and cultural diplomacy. This package encourages participants to appreciate diverse perspectives and use cultural insights for effective communication and community engagement.

Alserkal Avenue

Louvre Abu Dhabi

Desert Safari

Museum of the Future

Dubai Public Art Experience

Economic Development Package

Objective:

To provide a comprehensive understanding of economic systems, financial literacy, and market dynamics. Participants will learn how economic policies and infrastructures influence global business opportunities and economic growth.

Jebel Ali Free Zone (JAFZA)

Desert Safari

DP World

Dubai Public Art Experience

Diplomacy and Governance Package

Objective:

To develop global leadership skills, ethical decision-making, and strategic policy understanding. This package prepares participants for roles in international relations, governance, and public administration through real-world simulations and institutional visits.

Federal National Council (FNC)

Desert Safari

Model UN Sessions

Dubai Courts

Dubai Chamber of Commerce

Sustainability and Environment Package

Objective:

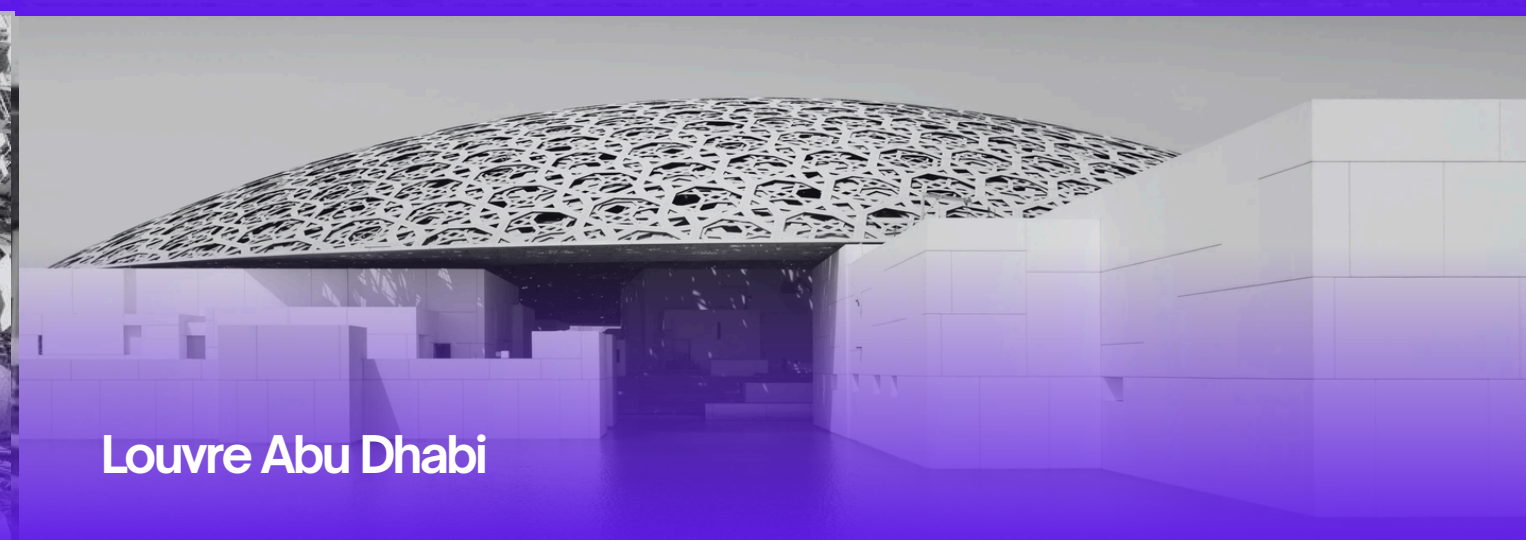

To promote environmental stewardship, sustainable business practices, and innovation in green technologies. Participants will learn about sustainable development goals, circular economy models, and the role of entrepreneurship in addressing environmental challenges.

Comprehensive Mixed Package

Objective:

To provide a holistic learning experience by integrating elements from all other packages, fostering well-rounded leaders capable of navigating complex, interconnected global issues. This package aims to cultivate adaptability, strategic vision, and interdisciplinary collaboration.

Dubai Technology Entrepreneur Campus - Dtec

Desert Safari

Dubai International Financial Centre (DIFC)

The Sustainable City
